ESC-35-2 F (Female)

GSA

ESC-35-2 F

Description

The Female Anti-Exposure Chem/Bio Suit Adapter also referred to as the TSC (Through Suit Connector) is a Passthru connector that can be used to modify most garments to allow the AMXDmax liquid, air and sensor hoses to pass through the suit, without compromising Chem/Bio integrity. It comes with the connector parts (outer connector, inner ring, and 4 screws).

Related Products
